

CHIPS Team & Child Abuse Prevention Month, April 2021

Every year the CHIPS Team puts our efforts into Child Abuse Prevention Month, in order to support our families and children in foster care. This year is no exception and we are once again selling our famous clothing, designed by the CHIPS Team. These high quality clothing items are the centerpiece to our efforts as this gives us a greater financial boost to our funds. Some of the items that we have been able to purchase for our families in the past include: books to increase our Trauma library, diapers, formula, child safety locks, bedding, incentives for children struggling in school, housewares, etc.

This year our clothing can be ordered online with RBS Activewear;

<https://jeffersoncochildabuseprevention21.itemorder.com/>

Those that put in their order between March 1-16th should be receiving their items shortly. Those that order from March 16th – 31st will receive their items early to mid-April. The store will continue to stay open all throughout the month of April. If you have any questions when placing an order, please feel free to reach out to Lindsay Fanelli-Huettl, or Maggie Messler.

The CHIPS Team will be placing our awesome blue and silver pinwheels at the Jefferson County Human Services Department and the Courthouse on March 30th!

Also, this year we will be working with Hering's Town Inn in Jefferson who will graciously be giving us proceeds from food served on April 19th. Save the date and let Towne Inn to do the cooking on April 19th! This is also a Monday night where pizza is half-priced!!!!!!

Paddy's Pub in Fort Atkinson will also be collecting underwear and socks the month of April to rebuild our supply to distribute to families in need and children in care.
